## Facilities

At the CNR Campus, **three rooms** will be available for the Meeting: one for **posters**, **two for oral presentations**, with capacity 80 and 60 persons respectively. Maximum allowable number of attendants: 120 for safety regulations. The two rooms are connected with camera and video, so that they can be used either for the same or parallel sessions.

**Overhead, slides** and **powerpoint** facilities will be available. It would greatly ease the running of the event if you are able to send any powerpoint presentation to us in advance. Please do not bring your own PC's from which to make your presentation. Past experience has shown this can cause huge amounts of disruption.

**Costs:**        **150** Euro for registrations **before 31 July 2004**  
                  **200** Euro for registrations **after 31 July 2004**

**The fee includes:** Coffee breaks and lunches on the two Meeting days, complimentary transport from Padova centre to the CNR campus, costs for organisation and logistic support. Guided visit to the Scrovegni Chapel kindly offered by Civic Museum and CNR-ISAC.

**Registration:** Filled forms should be sent via e-mail or fax to
